Tab1: Screenshot of Histogram for Zipcode

A histogram that shows the distribution of home prices in a zip code

Select Zipcode:

75219 75206

Tab2: Table showing median prices

Median Prices based on ZipCodes and Property Type

ZIPCODE	Single Family Residential	Townhouse
75205	1795000.00	NA
75225	1424999.50	712500.00
75230	1350000.00	382445.00
75254	1299000.00	475000.00
75209	1059000.00	655000.00
75220	1035000.00	100000.00
76092	975000.00	1250000.00
75219	859000.00	599000.00
76034	817956.00	429900.00
75206	732000.00	525000.00
75229	700000.00	179000.00
75022	698900.00	NA
75034	695000.00	425450.00
75214	654500.00	550000.00
75244	649000.00	464000.00
76262	629999.00	441560.00
75240	629000.00	327450.00
75093	623900.00	275000.00
75024	595000.00	401750.00
75231	584192.00	NA
75238	575000.00	210000.00
75038	572727.50	462500.00
75248	565000.00	319900.00
75182	542495.00	NA
75039	537750.00	429900.00
75243	514900.00	259900.00
76248	500000.00	NA

Tab3: Boxplot for price distribution

A boxplot for a specific (number of) beds, (number of) baths, square feet, lot size, and year built combination.

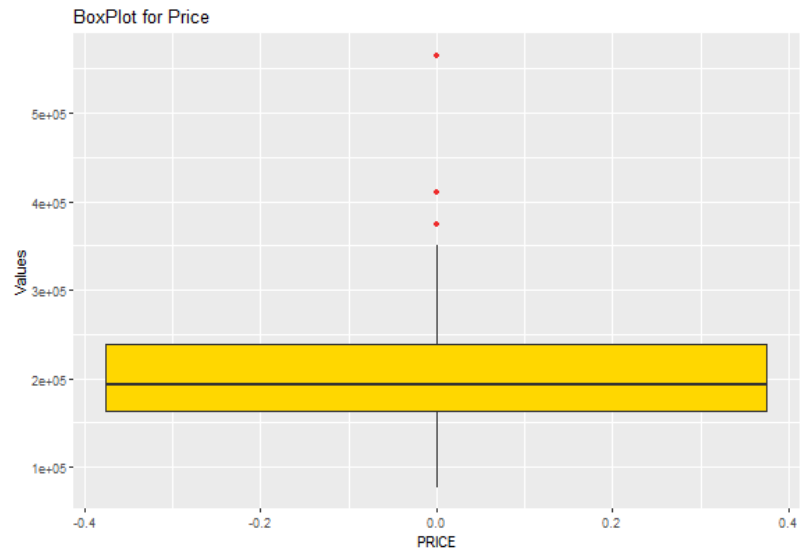

Select no. of Beds:
0 1 8

Select no. of Baths:
1.5 9

Select Square Feet:
528 4,422 27,075

Select Lot Size:
44 1,063,640 5,227,200

Select Year Built:
1,888 1,900 2,021

A map that shows the locations of the home
